## ABOUT THE INSTITUTION AND UNIVERSITY

The year 1992 signifies a milestone in the history of professional education in the North Eastern part of our country with the emergence of NERIM Group of Institutions. It was a year that testified the emergence of a new dawn into the scenario of professional education in the form of quality teaching and training to the aspiring younger generation of the region. State-of-the art infrastructure supported by training in ready-to-do skills marked the advent of a renaissance into the much hyped arena of specialized education in the likes of Management, Computer Science, Commerce, Applied Psychology, Social Work, Teacher Training and Legal Learning. For long, this part of the country had felt the lack of a prominent Institution against the deprivation of quality education, and to that NERIM Group of Institutions finally responded by its sheer commitment of imparting the needed educational support.

In pursuance to Dibrugarh University Act, 1965, Dibrugarh University Authority vide order No. DU / RG/ EC / NERIM/ 98 / 1256 dated 29-12-98 granted its affiliation to NERIM and recognized it as an Institute of Management and Computer Applications leading to Degrees of Master of Business Administration (MBA) and Master of Computer Application (MCA) Programmes respectively. The All India Council for Technical Education (AICTE), Govt. of India, duly approved the MBA and MCA programmes in the year 2000 and 2001 respectively.

In view of the institute's performance in 100% placement of MBA and MCA candidates, the University in the year 2004, accorded its permission and affiliation to the institute to start Bachelor of Computer Application (BCA) and Bachelor of Business Administration (BBA) programmes respectively under the prescribed Regulations of Dibrugarh University. In due course, the University authority also accorded its affiliation for 5 year integrated BA, LLB (Honors) course in the year 2006 and 2 year full time LLM programme from the year 2012 respectively. The BA LLB (Honors) course is also recognized by the BAR COUNCIL OF INDIA (BCI). Added to the existing professional programmes NERIM also started MSW, MA (Applied Psychology) and B.Com Programmes from the academic session 2012 under the prescribed regulations of Dibrugarh University. In the year 2014 M.Com program was also introduced in NERIM Group of Institutions.

NERIM is the only Nodal Centre of All India Management Association (AIMA) in the entire North Eastern Region of the country, It is also a partner Institute of Indira Gandhi National Open University (IGNOU), and as such, offers various programmes under AIMA and IGNOU. NERIM is also a centre for DOEACC (A) level course. Apart from it NERIM also offers Post Graduate Diploma in Computer Application (PGDCA) under Dibrugarh and Gauhati University respectively.
